

Questions for thought:

- What does the passage say about God?
- What does this passage say about human beings?
- What does this passage say about creation, the environment?
- What does this passage say about the relationship between creation, God, and humanity and how they connect at the "table?"

Monday July 10th

Genesis 3:19. For the first human beings, nearly every moment of the day was in some way related to food. Now that we can attain food without much work, what has that done to our relationship to food?

Tuesday July 11th

Exodus 29:2. How can food remind us of important things, important stories, as we eat?

Wednesday July 12th

Judges 6:19. When you prepare food for a guest, what is the relationship between what you cook or prepare for them to how you feel about them?

Thursday July 13th

Samuel 28:24. This food was prepared for someone who was terrified and anxious. How can "comfort food" be helpful to communicate to someone that they are not alone?

Friday July 14th

Matthew 13:33. The Kingdom of Heaven when spread in small amounts makes a huge difference. Why did Jesus use leaven to talk about heaven?

Saturday July 15th

1 Kings 17:12-16. Elijah makes demands of the woman who is struggling so much with food that she is preparing to die. When have you entertained house guests that make outrageous demands? Is it difficult to maintain a hospitable spirit? What does this say about being gracious guests?

Look at the prayer list. Who can you pray for? Who needs a little extra help in an area where you can make a difference?
