

Monday October 16th

Read Exodus 16:35. Manna was eaten the entire time of wandering in the wilderness until they reached the Promised Land. I could eat tacos every day but I wonder if I could eat it every day for 40 years? How about you? What would be the challenges of eating the bread God gave new each day?

Tuesday October 17th

Read Deuteronomy 8:3. Manna was a new food, no generation had tasted it or would taste it again. What was the lesson to remember what manna was?

Wednesday October 18th

Read Joshua 5:12. Why did the manna stop? What does it teach future generations that the manna would cease in this way? What does it say about God as a parent?

Thursday October 19th

Read Psalm 78:23-25. Many generations later, this song, probably by King David, was written. Why would this song be important? What would future generations gain from a story and a blessing not given to them?

Friday October 20th

Read John 6:58. How does this message from John's gospel have deeper meaning if you understand the story of manna in the wilderness? If manna was good, how much greater is the bread of life?

Saturday October 21st

Read Hebrews 9:4. The manna was kept in a jar from the time of Moses and Aaron and stored in the Ark of the Covenant. Why? Why would you keep it around? Couldn't you just tell the stories?
